Verse 1:

There`s noone like you my god and king

Nothing can compare your love with anything

Never will i deserve your love

What i`ve received from you above

Your presence sorrounds me like a gentle dove

Chorus:

I want to serve you, i want to belong to you

I want to thank you my god

For your unconditional love to me

Your undeserved sets free

Verse 2:

Quickly i get distracted from that all

What your spirit wants to move by your call

So help me to listen more, i now humbly pray

With your patience you lead me on the right way

Bridge:

Your love oh god reaches to the heavens

Your faithfulness to the sky

Your righteousness is like the mighty mountains

How caring is your unfailing eye
