Strophe 1:

It's not just white, neither is all just black

Sisch nid eyfach schwarz, sisch nid aus eyfach wyss

In reality a lot is different, as it first seems

In würtlechkeit isch viles anders, aus wies zersch wüerkt

The one kind are not just good, the others really bad

Die einte si nid eyfach guet, die angre nid eyfach schlächt

If we knew what was behind the mask before he shows the task

We me aus wüsst wo derhinger steckt, bevor är aus von ihm zeigt

Refrain:

Who then wants to hear, who really wants to see

Wär wott ghöre, wär wott würtlech gseh

Why is there so much sorrow, is it because of white or black

Werum gits de so vii leid, isch es wäge schwarz oder wyss

That's why i open up my heart, to help get a better start

Drum tue ni mis härz uf, das i ghöre dr hilferuf

Want to act more than talk, share instead of greed

Wott meh handle schtatt rede, u teile schtatt horde

Strophe 2:

It's not just toil or being lazy, look at the circumstances

S'git nid eyfach flissig oder fuul, lueg mau d'umschtäng a

It can't be that children starve, when there's enough food

Es cha nid sy dass ching verhungre, we gnue z'ässe umenisch

Look over your garden's fence, work hard for their defence

Lueg mau über di garte hag u läb nid achtlos i tag

Out of fear that you have too little, you forget those in the battle

Us luter angscht du heigisch zweni, vergissisch die ir ferni

Uebergang:

Instead of destroying food here, we start sending it all there

Schtatt ässe wo z'viu isch hie entsorge, chönt me so mänge arme mönsch versorge
