When I see the whole nature
All the the colours of the lake
I'm amazed more and more
All the animals in their way of living
Even the goat with its beard
The Rooster that sorrounds all the hens

Strophe 1:

Who stands behind all this
Who could be so genius
It can't just be a big bang
Or a coincident

Strophe 2:

All this rich creation
Proves a great sensitivity
Who ist this creator
He must be filled with love

Refrain 2:

When I see the sea's beauty
The snowy mountains
I'm amazed more and more
Each child with its individual style
Even the man with a beard
A beautiful woman who fascinates men

When you say nothing at all

text & music: Overstreet/Schilitz
bass, piano, cello, pad & drum programming: Matthias Heimlicher
vocals, a-guitar & harmonica: Jay H
mixed, mastered & produced: Matthias Heimlicher

It's amazing how you can speak right to my heart
Without saying a word you can light up the dark
Try as I may I can never explain
What I hear when you don't say a thing

Refrain:

The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand sais you'll catch me wherever I fall

You say it best when you say nothing at all
All day long I can hear people talking out loud
But when you hold me near you drown out the crowd
Try as they may they can never define
What's been said between your heart and mine

T'was a summer night, I was playing in the evening light
Watching the fading shadow, while the sun was setting low
While playing the dancy groove, my eyes began to move
Caught by your radiance, in the singing audience
You struck me straight away, I just got carried away
T'was you I wanted to live with every day

You're a precious gift, you're so precious to me
A precious jewel to marvel and see
T'was love at first glance, your presence made me dance
You lighten up my dark, and stole my whole heart
Your whole heart I long to know more
I love how you feel and think in the core

In this world true love is so rare but true love is still there
I'm singing about my own love story, to the giver of love be all the glory

So Moni, my graceful beauty, let me get to know you more
You are so precious, you are so kind, you're always on my mind
You mean so much to me

I love you with all my heart
