One true heart, is what I'm looking for  
One true heart, is what I've found in you  
One true heart, is what I'm longing for  
You are the one true heart

Walking through life, facing all the strife  
It's time for me to leave what used be  
And live your way, who you want me to be  
Instead of strain to please you more  
My heart of love is what you long for

For you are a loving God, giving hope and future  
You're the highest degree of all goodness and power  
Not a mean commander, you are true and faithful forever

### Only your love

text & music: Jay H  
bass: Daniel Graf  
drums: Jörg Kratzer  
vocals, e-piano, solo & hammond: Jay H  
e-guitar, overdubs & solo: Shannon Davidson  
backing-vocal: Chris Hess

It was only your love, that touched my deepest part  
Without words you could heal me, your loving presence could fill me  
When no one else could change me, you were the one who saved me  
I'm so grateful to belong to you, no need to hide my true heart from you  
Catch me wherever I fall, no matter where you hear my call  
You're always there for me  
Your love melts my heart of stone, my fears and doubts are gone  
Your presence so fulfilling, only for you is worth living  
'Cause you know my deep desire, even when I'm on fire  
Oh, my precious Jesus  
Oh, my best friend  
I simply love you my God

### Through disappointments

text & music: Jay H  
arrangement: Shannon Davidson & Jay H  
drums: Jörg Kratzer  
bass, a-guitar, rhodes, hammond, harp & vocals: Jay H

By disappointments dark shades occurred in your heart  
Come to God and bring Him all your hurt  
Outside, a hard shell has been formed  
Mistrust has entered in, but even so God is calling you

Give me your disappointment, I understand you so well  
Give me your hurt, I know what you need  
Oh give me your heart, I'll bring my light inside  
I know what you need deep within

Maybe you're wondering how to carry on and feel left alone  
Jesus has a way prepared for you, oh trust Him through all eternity

### All the same

text: Jay H  
music: Shannon Davidson & Jay H.  
bass: Beat Küenzi  
drums & percussion: Jörg Kratzer  
a-guitar: Shannon Davidson  
e-guitar: Benoît Piccand  
trumpet: Andrea Müller  
rhodes, hammond & vocals: Jay H

At the start of our life, we were all the same  
At the foot of our mistakes, we are all the same  
At the foot of the cross, we stay the same  
At the foot of God's throne, we'll all be judged by name

So why do we compare  
After all hate our brother  
Arrogance only causes suffering  
Instead of seeing each other with the same cover  
Equally dependant on a caring Father

So why waste our days  
And finally end in destruction  
Life or death is our decision  
I'd rather choose heaven's beauty than the lake of fire  
We're equally dependant on Christ the savior

### Thirsty

text: Isaiah & Jay H music: Jay H  
bass: Beat Küenzi drums: Jörg Kratzer  
e-guitar, overdubs & solo: Shannon Davidson  
grand piano, hammond & 1. vocals: Jay H  
2. vocals: Andrea Schmider

Come on, you who are thirsty, come to the waters  
You who have no money, come, buy and eat  
Come, buy wine and milk, without money without cost

Why spend money on what is not bread  
And your labour on what does not satisfy

Seek the Lord while he may be found. Let the wicked forsake his way  
And the evil man his thoughts, let him turn to the Lord  
So he will receive mercy from him

Listen to me, eat what is good  
And your soul will delight in the richest of fare  
Give ear, come to God and hear him, so your soul may live forevermore

Think of being fulfilled for once, your inner soul at rest  
God is waiting to fill the hole deep inside  
Jesus is the bread of life, the right water for your soul  
Do you hear the cry deep within

He will make an everlasting covenant with you, come and believe him  
Why spend money on what is not bread  
And your labour on what does not satisfy

### Deeply sorry

text, music & arrangement: Shannon Davidson & Jay H  
bass: Beat Küenzi saxophon: Bene Müller  
a-guitar, grand piano & vocals: Jay H

There's something inside I feel sorry about  
So many times I've rejected your love  
Countless times I've abused your name, I lived in darkness and shame

Too many times I've been breaking your law, so hard for all that you saw  
To see me in a desperate state, hoping to turn, before it's too late

Take my hand and lead me in your will  
My Jesus you died for me on that hill  
I want you to be king, only to you I want to cling  
Unto you I devote everything

Saviour Jesus come and save my life  
Wash me with your blood from my guilt and strife  
Only you can cleanse me from all my shame, that I may live without blame  
Please don't give me up, instead lift me out

Spirit of God, come and fill me up, please live in me and feel at home  
I need your strength and love day by day  
Lead me in truth that I may find the right way

## Song 103

text: King David music: Jay H bass, keyboard & strings: Beat Küenzi  
drums: Jörg Kratzer a-guitar: Shannon Davidson  
female vocal: Marianna Eymann grand piano & vocal: Jay H

Praise the God of heaven and earth and forget not all his benefits  
He forgives all my sins and heals all my diseases

He redeems my life from the pit and crowns me with love and compassion  
He satisfies my desires with good things  
So that my youth is renewed like the eagle's

Praise the Lord, oh my friend and forget not all his benefits  
He forgives all your sins and heals all your diseases

He redeems your life from the pit and crowns you with love and compassion  
He satisfies your desires with good things  
So that your youth is renewed like the eagle's

The Lord is compassionate and gracious slow to anger, abounding in love  
He will not always accuse nor will he harbor his anger forever

He does not treat us as our sins deserve or repay us according to our wickedness  
For as high as the heavens are above the earth  
So great is his love for those who fear him

As far as the east is from the west, so far he removed our wrong-doings  
From everlasting to everlasting the Lord's love is with those who fear him

Praise the Lord, everyone  
Praise the Lord, the highest one

### Return to me

text: Jeremiah & Jay H  
music: Jay H (composed on the 1.1.2000)  
bass: René Eberhard drums: Jörg Kratzer  
female vocal: Andrea Schmider  
violin & solo: Matthias Ackermann  
a-guitar, rhodes, hammond & vocals: Jay H  
e-guitar: Shannon Davidson

Return to me, return to me, return to me with all your heart  
Return to me, return to me, return to me with all your heart

For I am merciful, declares the Lord, I'll not be angry forever  
Only admit your guilt, only admit your guilt  
You've rebelled against your God, I don't blame you, I really need you

If you simply give God your heart and turn from your untrue ways  
Then you will be blessed and filled with glory and love  
Instead of the burning wrath of God, Jesus will save and give you his love

Return, faithless people, for I am your husband  
Gladly I'd treat you as sons and give you a desirable land  
I thought you'd call me Father and not turn from loving me  
Like an unfaithful woman, you've been unfaithful to me

### Grief

*(To our lost child, during my wife's pregnancy)*

text & music: Jay H

grand piano & vocals: Jay H cello: Reto Jakob

violin: Matthias Ackermann recorder (flute): Bene Müller

I'm driving down the road weepin' o'er a heavy load  
'Cause we lost someone young, who'd never seen the shining sun

This child so tender small, heard the heavenly call  
To leave it's mother and live eternal well, out of this earthly shell

How I miss you my child, our relationship was so deep  
You were not for us to keep  
So I pass you o'er, into the hands of our shepherd  
He is Jesus, my healer and friend

I will see you, my child, in our new home in heaven  
All joy and peace will be given  
So I wait for that day, it surely won't delay  
I've my savior, he's my healer and friend  
You've a savior, he's your healer and friend  
We have a savior, he's our healer and friend

After all this pain, I don't catch people's strain  
Of killing an unborn child without blame to stretch out for more  
But end in deep sore, but live in despair  
Who will care

Yes there's forgiveness, healing in Jesus  
For a wounded heart, that's been torn apart

## Moni

*(To my wife, Moni)*

text & music: Jay H

bass: René Eberhard drums: Jörg Kratzer

1. a-guitar & vocals: Jay H

2. a-guitar & solo: Shannon Davidson

violin & solo: Matthias Ackermann accordeon: Stefan Zeller

T'was a summer night, I was playing in the evening light  
Watching the fading shadow, while the sun was setting low  
While playing the dancy groove, my eyes began to move  
Caught by your radiance, in the singing audience  
You struck me straight away, I just got carried away  
T'was you I wanted to live with every day

You're a precious gift, you're so precious to me  
A precious jewel to marvel and see  
T'was love at first glance, your presence made me dance  
You lighten up my dark, and stole my whole heart  
Your whole heart I long to know more  
I love how you feel and think in the core

In this world true love is so rare but true love is still there  
I'm singing about my own love story, to the giver of love be all the glory

So Moni, my graceful beauty, let me get to know you more  
You are so precious, you are so kind, you're always on my mind  
You mean so much to me

I love you with all my heart
